Middle Paxton Township

PARK AND RECREATION FACILITIES APPLICATION 2019

BACKGROUND:

The extensive volume of requests by residents and non-residents to utilize Middle Paxton Township's park and recreation facilities necessitates a proper format for the scheduling of such uses. Middle Paxton Township has established user rules and regulations for the use of Township facilities. These regulations are based on past experience involving damage, loss, and failure to reimburse or pay valid fees and costs to Middle Paxton Township. Insurance, liability, legal and safety concerns also require certain rules to be in place for the use of Township property. Current requirements and stipulations governing the use of public parkland and recreation facilities owned by Middle Paxton Township are outlined in this Park and Recreation Facilities Application. Middle Paxton Township reserves the right to set special conditions with regard to any planned use and require payment in advance of the use of public parkland and recreation facilities. The Township also reserves the right to deny any park facilities application for failure to meet any of the stated conditions or because of past adverse experience involving either the type of planned use or the applicant.

INSTRUCTIONS:

Please complete this entire form by answering all questions completely and accurately. **Incomplete forms will be returned to the applicant.** You may attach additional sheets of paper if necessary. The deposit and rental fee must be paid when filling out application. Middle Paxton Township will strive to coordinate the use of public facilities for as many people as possible. Middle Paxton Township reserves the right to reject a Park and Recreation Facilities Application if it believes the event or activity will unreasonably interfere with other existing or planned programs and activities, including the normal conduct and use of the Township parks and recreational facilities.

By submitting this Park and Recreation Facilities Application, the applicant is certifying that no expense will be borne by Middle Paxton Township in connection with the event or activity described in the application for which the Township will not be fully reimbursed. Further, the applicant certifies that the Township is not liable or responsible for any cost, effect, error, omission or loss of any kind associated with the event or activity listed herein, and that the Township is fully indemnified and held harmless from any claims or judgments arising from such. All park and recreation application activities must be fully insured by the applicant with the Township named as an "Additional Insured".
