

Prepared. For Life.®

Greetings,

My name is Andrew Young from Dauphin, PA Troop 233. I am currently a Life Scout working on my Eagle project. After learning the Dauphin-Middle Paxton Fire Company's benches were worn and broken, I have decided to create an outdoor space for the firehouse. My goal is to provide new commercial grade benches and picnic tables along with an honor garden, recognizing the first responders and community leaders. These brave individuals respond to home and mountain fires, car accidents, boat incidents...etc. while also volunteering their time to parades, school assemblies and community events only to come back to a station without a place to rest outside. This space will provide seating to relax, enjoy time and a meal together and a garden area dedicated to honoring them with a beautiful view of a mountain they serve to protect.

My goal is to raise \$10,000 to fund installation of my project:

Qty	Item	Price
2	8' Benches	\$2,000
2	8' Picnic tables	\$3,000
1	Honor Garden w/ 6' bench & pavers	\$5,000

Would you please consider making a financial donation? No amount is too big or too small and I am extremely grateful for your consideration to help support this worthy cause. Checks should be payable to Dauphin Troop 233 with Andrew Young Eagle Project in the memo line.

Donations may be sent to:

If you would like more information, please contact me at ayoung17018@gmail.com and cc my project advisor Warren King Warrentk@aol.com (this ensures we follow Boy Scouts of America Youth Protection Guidelines for safe Scouting). Due to social distancing guidelines at this time, I may not be able to personally meet to discuss the specifics of my project, but if you would prefer this, please reach out to us and we can discuss how arrangements could be made for you to consider supporting my project.

Thank you for your consideration to donate to my Eagle Scout project.

Yours in Scouting,
