Middle Paxton Township

BOARD OF SUPERVISORS

REGULAR MONTHLY MEETING MINUTES
October 6, 2014

Call to Order

The October 6, 2014 regular monthly meeting of the Middle Paxton Township Board of Supervisors was called to order at 7:00 PM by Chairman Andrew Megonnell in the Township meeting room. Also present were Supervisor James Fisher, Vice-Chairman and Secretary/Treasurer; Supervisor Jeffrey Smith; Supervisor Dick Pepper; Supervisor Mitch Rissinger; Julie Ann Seeds, Township Manager and Assistant Secretary/Treasurer; Steve Stine, Township Solicitor; and Ed Fisher, Township Engineer.

Pledge of Allegiance

The meeting was opened with the Pledge of Allegiance.

Public Hearing

Solicitor Steve Stine opened the public hearing on the previously advertised Ordinance 2014-3 whereby the Township proposes to vacate the Township road commonly known as "Stone Arch Lane" formerly the right-of-way of State Highway Route 22026 Section 1 Station 278+38 to Station 301+08.

Joe Fetterhoff, 181 Stone Arch Lane, questioned why the Township had never maintained Stone Arch Lane and suggested it should be brought up to Township roadway standards before being vacated.

Edward Fetterhoff, Jr., 900 Clarks Valley Road, expressed the same sentiment previously stated by Joe Fetterhoff.

Solicitor Stine explained that the Township had always considered Stone Arch Lane to have been vacated at the time it was abandoned by the Pennsylvania Department of Transportation in 1942 and reverted to the Township for ownership. However, a research of Township records undertaken as a result of a building permit having been submitted for a property on Stone Arch Lane could not produce verifying documentation for Stone Arch Lane having been vacated. Hence, the Township proposes to enact Ordinance 2014-03 to provide documentation of Stone Arch Lane having been vacated such that property owners would not be constrained to Township roadway right-of-way requirements in the future.

Robin Ford, a resident of Harrisburg and daughter of Ethel Sauer who owns property at 1020 Clarks Valley Road, questioned whether the proposed action to vacate Stone Arch Lane would place a burden on her elderly mother. Solicitor Stine explained that there were no requirements for property owners to take any action associated with the Township's proposed ordinance to vacate Stone Arch Lane.

Motion by Supervisor Smith to close the public hearing on the proposed adoption of Ordinance 2014-03 was seconded by Supervisor Rissinger. *Motion passed unanimously.*

Ordinance Adoption

Motion by Supervisor Smith to adopt Ordinance 2014-03 vacating the Township Road commonly known as "Stone Arch Lane" formerly the right-of-way of State Highway Route 22026 Section 1 Station 278+38 to Station 301+08 was seconded by Supervisor Rissinger. *Motion passed unanimously.*

Public Comments

Chairman Megonnell invited public comments from those in attendance who were not listed on the agenda.

Wilbur Evans, 111 Affection Road, requested any old records of the Dauphin-Middle Paxton Community Ambulance Association still stored at Station 12 be forwarded to the Dauphin-Middle Paxton Historical Society. Chairman Megonnell noted his request would be referred to the Dauphin-Middle Paxton Joint Public Safety Authority who owns the property known as Station 12.

Joe Fetterhoff, 181 Stone Arch Lane, suggested the Township should consider amending its Zoning Ordinance whereby existing buildings already encroaching upon a set-back line would be granted an exception to permit construction of an addition that does not extend beyond the existing building line.

Approval of Minutes

Chairman Megonnell requested a motion to approve the minutes from the September 2, 2014 meeting. Motion by Supervisor Smith to approve the September 2, 2014 meeting minutes was seconded by Supervisor Rissinger. *Motion passed with Chairman Megonnell abstaining due to having been absent from that meeting.*

Treasurer's Report/Monthly Financial Statement

Julie Ann Seeds, Assistant Secretary/Treasurer, presented the monthly Treasurer's Report showing the total of Fiduciary Funds (\$146,235.38), State Accounts (\$336,683.52) and General Account Funds (\$1,367,655.91) to be \$1,837,272.46 as of September 30, 2014. The Fire Truck loan balance is \$97,279.77 with no other Township indebtedness at this time.

Ms. Seeds reported the actions required to close General Account #1329 (General Checking Account) with Susquehanna Bank and transfer those funds to the Operating Fund #3367 (Payroll – Direct Deposit) with Mid Penn Bank were in process.

Ms. Seeds also reported having been advised that designated "funds" must be established by resolution of the Board with those monies held in a fund used solely for the purpose stated in the resolution, whereas "accounts" do not have those same restrictions. She noted her research of past records did not produce resolutions supporting establishment of those "funds" currently itemized within the Treasurer's Report. A recommendation and supporting resolution for designation of funds will be forthcoming at the next regular meeting.

Motion by Supervisor Smith to approve the Treasurer's Report to be filed for audit was seconded by Supervisor Rissinger. *Motion passed unanimously.*
